### Moscow, Uglich, Yaroslavl, Goritsy, Kizhi, St Petersburg

Thinking of Russia, two great cities immediately come to mind: Moscow and St. Petersburg. This monumental 13-day itinerary includes multiple days in both cities, touring such landmarks as Moscow's Kremlin and Red Square as well as Pushkin, Peter & Paul Fortress and the Hermitage in St. Petersburg. But, there is another side of Russia that only a river cruise can provide—the villages and quaint towns like Yaroslavl, Uglich and Goritsy. See opulent palaces, discover fortified monasteries and visit beautiful cathedrals. It is an unforgettable way to experience the history and culture of this unique and mysterious country.

The Viking Surkov was built for your comfort. Interiors feature Scandinavian design so you can relax in streamlined, comfortable surroundings. Your ship's lounge is spacious with plush seating and panoramic windows. Plus, you get 360-degree views on the sundeck. Even the dining room has large picture windows so you can enjoy the scenery as you dine.

Your cabin rivals a fine hotel, complete with feather duvets, private bathrooms and climate control. Many cabins feature hotel-style beds and large picture window, some of which open which is a unique feature of river cruising. So come aboard, unpack just once and settle in. We're ready to welcome you aboard and make you feel right at home.
